

Project Commitments

NC 24 from 2.8 Miles West of I-95 to I-40

Federal-Aid No. STPNHF-F-8-2(17)

State Project No. 8.T280802

WBS Project No. 34416.1.1

STIP Project No. R-2303

Cumberland, Sampson, and Duplin Counties, North Carolina

PDEA Branch, Roadway Design Unit, Division 3

1. Archaeological Resources (Sites 31SP331, 31SP334, and 31DP226). The segment location near site 31SP331 is D3B (south of Bonnetsville), site 31SP334 is located by segments E2/F1A, E2/F1B, E2/F1C, and site 31DP226 is located by segment F5. If possible, these archaeological sites should be avoided. If preservation in place is not possible, data recovery is recommended.

PDEA Branch, Roadway Design Unit, Roadside Environmental Unit

1. Maxwell House. Widening will be away from house (i.e., to south). NCDOT will develop a landscaping plan along the new road (to be reviewed by the North Carolina State Historic Preservation Office). This site is located near segment A2.

PDEA Branch, Roadside Environmental Unit

1. J.T. Kennedy House. NCDOT will develop a landscaping plan along the new road (to be reviewed by the North Carolina State Historic Preservation Office). This site is located near segments F1A and F1B.
